Report description:

In 2024, analgesics are set to record positive retail value growth, while value growth is only set to be positive for topical analgesics/anaesthetic. Aligned with the health and wellness lifestyle trend, more people in Turkey are engaging in outdoor activities. Following the outbreak of COVID-19, many consumers in Turkey have a heightened interest in health. In addition to nutrition, this includes exercise and sporting activities. A more proactive stance regarding self-care and preventative meas...
