Report description:

Dermatologicals is expected to see current value growth in Israel in 2024. Israel's ageing population is helping to promote sales of dermatologicals as ageing skin requires a lot of care on a daily basis. This has prompted good sales growth in topical germicidals aimed at solving fungal complaints and other skin and nail problems. In addition, products such as haemorrhoid treatments and antipruritics have also benefitted from increasing demand from older consumers.
