### **Report description:**

Digestive remedies recorded moderate volume growth in 2024 as a result of population growth in Kazakhstan and the side effects of taking a large number of antibiotics and antiviral drugs in the pandemic period. Traditional dietary habits also fuelled demand as the national cuisine contains a large number of fatty, dairy and meat dishes, as well as sweet and fried foods, which are difficult for the body to digest. In addition, with a rising number of older consumers who are more prone to suffer f...
