### **Report description:**

The market for fine wines, champagne, and spirits in Turkey is poised for dynamic growth in current value terms in 2024, driven by an increasing appreciation for these beverages among both local and international consumers. However, it is important to note that a significant portion of this growth is attributed to rising unit prices, largely influenced by higher excise taxes and fluctuations in exchange rates between the Turkish Lira and the US Dollar. These factors have made the production and...
