### **Report description:**

Headphones in Brazil continued its dynamic growth trajectory in 2023, and this trend is set to be maintained in 2024, largely fuelled by the increasing popularity of True Wireless Stereo (TWS) earbuds. These products, known for their seamless audio experience and lack of wires, have captured a significant share of consumer demand in recent years, and this category is expected to maintain its strong performance in 2024. Their lightweight, portable design appeals to a wide range of consumers, part...
