Report description:

Herbal and traditional products in Taiwan will continue to see positive growth in current value terms in 2024, driven by consumers increasingly favouring natural remedies for treating and preventing minor illnesses. This shift is largely due to rising concerns about the potential side effects and contraindications of active pharmaceutical ingredients in standard OTC medications. Older adults, in particular, are drawn to herbal alternatives, fearing negative interactions between standard medicati...

Euromonitor International's Herbal/Traditional Products in Taiwan report offers a comprehensive guide to the size and shape of the market at a national level.
