- Multiple User License (Global) €2985.00

### **Report description:**

Weight management and wellbeing is growing above inflation in 2024, supported by the strong performance of supplement nutrition drinks, which are experiencing dynamic growth in both retail volume and current value terms. This performance is thanks to the progressive expansion of the age range of consumers, with younger adult consumers becoming increasingly interested in adopting a preventative approach to health and wellbeing, with a focus on improving nutritional intake. Furthermore, wider pene...
