Report description:

2024 has been a year of unprecedented stability in Iraq for consumers and suppliers. This stability is linked to the 10% revaluation of the Iraqi currency in 2023, which has helped keep prices stable and even lowered prices in some categories of staple foods. The Iraqi Government distributes large quantities of rice and flour to every Iraqi on a monthly basis. Although these products are of a lower quality compared to those available in the retail market suppliers are operating on thin margins.

Euromonitor International's Staple Foods in Iraq report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere. In addition to the latest retail sales data 2019-2023, it identifies the leading companies, brands and retail outlets, and assesses the key trends and demographic shifts behind consumer demand and sales growth. How key trends such as health and wellness, sustainability and recovery from the pandemic are shaping the market in <|Year|> directly informs our forecasts to 2028, clearly indicating how the market is expected to change.

Product coverage: Baked Goods, Breakfast Cereals, Processed Fruit and Vegetables, Processed Meat, Seafood and Alternatives to Meat, Rice, Pasta and Noodles.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Staple Foods market;
- * Pinpoint growth sectors and identify factors driving change;
- * Understand the competitive environment, the market's major players and leading brands;
- * Use five-year forecasts to assess how the market is predicted to develop.
