### **Report description:**

In 2023, retail value sales of sweet spread was 12%, bolstered by rising prices as retail volume growth was 4%. Jams and preserves saw the lowest volume growth, facing challenges as consumers have improved availability of fresh produce during the cold season. As such, jams and preserves are facing competition from homemade alternatives as consumers increasingly look to save money and opt for more affordable options. Consequently, as people seek cost-effective solutions, making their own preserve...
