### **Report description:**

Beer continued to overwhelmingly dominate total packaging volumes for alcoholic drinks in retail in Brazil in 2023. In this year, metal beverage cans remained the most popular pack type in domestic lager, accounting for nearly 90% of total packaging retail volumes. The popularity of this pack type is driven by its durability, portability, and cost-effectiveness, making it ideal for on-the-go consumption, especially during social events. Brands such as Skol and Brahma, under AB InBev, leveraged t...
