strategic standing and supports informed decision-making and strategic planning.

The report also covers UBS Group AG's financial analysis basis of latest income statement, balance sheet, and cash flow statement. Key financial ratios related to profitability, asset turnover, credit, market, and long-term solvency are outlined, providing guidance for investment decisions. Furthermore, the report compares UBS Group AG's financial parameters with those of its competitors, offering a unique analysis of the competitive landscape. This information helps manage the business environment and improve sales activities by gaining insight into competitors' operations.

Finally, the report includes recent news and deal activities undertaken by UBS Group AG enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

UBS Group AG offers financial advice and solutions to private, institutional, and corporate clients globally. It operates through five main divisions: Global Wealth Management, Personal and Corporate Banking, Asset Management, Investment Bank, and Non-core and Legacy. The company provides services such as investment advice, estate and wealth planning, corporate and banking solutions, and investment management. Its lending solutions include mortgages, securities-based lending, and structured lending.

In personal banking, UBS offers products like deposits, credit and debit cards, online and mobile banking, lending, investments, retirement planning, and wealth management. For corporate and institutional clients, it provides services such as equity and debt capital markets, structured and syndicated credit, private placements, leasing, traditional financing, transaction banking, cash management, trade and export finance, and global custody solutions.

Additionally, UBS manages a wide range of investment strategies, including equities, fixed income, hedge funds, real estate, private markets, indexed and alternative beta strategies, asset allocation, and currency investments. It also offers advisory and fiduciary services, as well as multi-manager hedge fund solutions.

UBS assists clients with strategic business opportunities, helping them raise capital and manage securities in capital markets, as well as handle risk and liquidity. The company facilitates the buying, selling, and financing of securities, manages cash equities and equity-linked products, and provides liquidity in foreign exchange, credit, rates, and precious metals markets. Originally known as UBS AG, the company changed its name to UBS Group AG in December 2014. Founded in 1862, UBS Group AG is based in Zurich, Switzerland.
