enhancing awareness of the company's business trends, growth perspectives, and more.

Key Highlights

Corporacion Nacional del Cobre de Chile (Codelco) is a Chilean state-owned copper mining company. It is the world's largest copper producer and a major contributor to the country's economy. The company's core business is to explore, develop, and exploit mineral resources and process them to produce refined copper and by-products for their subsequent sale. Codelco operates eight divisions across Chile, including Radomiro Tomic, Chuquibambilla, Ministro Hales, Gabriela Mistral, Salvador, Andina, El Teniente, and the Ventanas smelter and refinery. The company's products are sold to customers around the world. Codelco is committed to sustainable mining practices and is a leader in the development of innovative technologies to reduce its environmental impact. The company is also committed to social responsibility and supports a number of community development programs in Chile.
