Report description:

Ferrero Group has introduced a new, thinner wrapping for its Kinder Bueno range, reducing the plastic layer by 23%, while still maintaining product freshness and protection. This innovation follows collaboration with upstream suppliers to develop thinner, more flexible materials with a lower environmental impact. Ferrero's initiative aligns with its commitment to sustainability, with the company aiming to make all of its packaging reusable, recyclable or compostable by 2025. This transition is e...
