Report description:

China's packaging market has seen notable developments across various industries, driven by changing consumer preferences and industry dynamics. Metal beverage cans have been gaining popularity in alcoholic drinks packaging, especially in beer and RTDs. This shift is largely due to the convenience, durability and superior product protection that cans offer, appealing to urban consumers and supporting the quality of premium and craft beverages. In addition, the rise of online sales and takeaway o...

Euromonitor International's Packaging in China report offers insight into key trends and developments in the industry. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.
