### **Report description:**

While brick liquid cartons and gable top liquid cartons are still the biggest pack types in the category in unit volume terms, shaped liquid cartons are seeing strong growth and gaining share in the packaging of plant-based milk in Canada. Shaped liquid cartons offer a distinctive and eye-catching design that helps plant-based milk brands stand out on crowded retail shelves. The unique shape appeals to consumers and provides a memorable brand experience. Shaped liquid cartons are designed for ea...

Euromonitor International's Plant-based Dairy Packaging in Canada report offers insight into key trends and developments driving packaging across the category.
