Report description:

Soft drinks volume growth in Denmark remains positive in 2024, with off-trade growth being moderate but surpassed by stronger on-trade sales volume growth. Value growth for both on-trade as well as off-trade is higher as ingredient price increases contribute to higher average unit prices. Additionally, demand for premium products is gradually gaining momentum, reflecting a shift in consumer preferences towards higher-quality options. The ongoing trend towards health-conscious choices continues t...
