### Report description:

Staple foods in Sweden continued to face maturity at the end of the review period. Therefore, retail volume growth remained difficult to generate, with retail current value growth boosted by inflationary pressure on prices, but also the launch of new products and innovation offering added-value benefits. The ongoing recovery of foodservice, with volume sales projected to return to their 2019 pre-Coronavirus (COVID-19) level in 2024, also limited retail volume growth. Nonetheless, the main catego...

Euromonitor International's Staple Foods in Sweden report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere.
