### **Report description:**

In 2023, metal beverage cans gained pack type share in terms of total packaging retail volumes in beer in Mexico, for reasons such as light weight, portability, and durability. These qualities make cans ideal for outdoor activities and social events, as cans can be easily stored in a cooler or carried in a bag without the risk of breakage. Their convenience and ease of use resonate particularly well with youngsters of legal drinking age, who value practicality. Moreover, metal beverage cans, whi...
