- Multiple User License (Global) €2985.00

Report description:

Beer continued to account for the highest total packaging retail volumes in alcoholic drinks in Thailand in 2023. Glass bottles dominated packaging volumes of beer in this year. Despite this, the category experienced a notable trend towards the increased utilisation of glass bottles for packaging in 2023, primarily driven by the consumer perception of glass as a premium material. This shift is attributed to several factors, including the association of glass with higher quality products, growing...

Euromonitor International's Alcoholic Drinks Packaging in Thailand report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.
