Report description:

HDPE bottles continued to be the main pack type in beauty and personal care product packaging in Turkey in 2023, with PET bottles, squeezable tubes and flexible plastic and folding cartons also widely used in this industry in this country. These pack types offer a wide range of options in terms of shape and size, provide ease of use for consumers and ensure product integrity. The suitability of HDPE bottles for recycling aligns with the increasing focus on environmental sustainability in the bea...
