### **Report description:**

2024 has proved to be yet another challenging year for concentrates in Spain. In the off-trade channel, both liquid and powder concentrates are set to see RTD volume declines, which will resume the longer-term trend of decline in this category. Off-trade value sales are expected to see a slight rise during the year in current terms, although much of this is due to economic pressures which continue to impact the category, such as the high costs of production. Whilst the economic situation has bee...
