### **Report description:**

Dermatologicals continued to record strong single-digit retail value growth in Austria in 2024. The end of social distancing after COVID-19 continued to benefit sales of dermatologicals like medicated shampoos, hair loss treatment and topical germicidals. Topical germicidals saw a boost in sales due to a rise in injuries following increased physical activity, including outdoor sports. In addition, many Austrians are increasingly interested in investing in products to help minimise and counter th...
