### **Report description:**

Retail value sales of digestive remedies in Germany continue to grow in 2024. Demand for a number of digestive remedies is rising due to an increase in travel post-pandemic, while sales of others have been boosted by the resurgence of stressful, hectic lifestyles among German consumers. This is leading to an increase in the number of Germans suffering from digestive issues such as heartburn and intestinal problems. The return to dining out, both on the move and in restaurants, is also contributi...
