Report description:

Historically, energy drinks in Hungary is a fast-growing category. Amid growing prices for food and beverages, energy drinks saw a small decline in off-trade volume sales in 2023. However, the category recovered some dynamism and returned to positive off-trade volume growth in 2024. The main growth drivers of the category continued to be constant innovations and launches of new flavours, packaging and recipe updates, price promotions and discounting from manufacturers and retailers and leveragin...
