### **Report description:**

The recovery of inbound tourism in Indonesia provided a significant boost to sales of alcoholic drinks in 2024, including sales of fine wines/champagne and spirits which saw strong growth in retail volume terms. With the World Health Organisation declaring the pandemic to be over in early 2023 there was a significant increase in international travel, with this being reflected in a significant increase in inbound arrivals in 2024 compared to the previous year. The surge in international visitors...
