Report description:

In 2023, Starbucks launched its instant coffee mixes, such as the Starbucks VIA Spring Blend, featuring small portions packaged in flexible paper pouches and flexible paper sachets of 12 sticks in a multipack. This move towards smaller portions and flexible paper packaging is driven by consumer preferences for convenience and sustainability. The compact size of the sachets makes them ideal for on-the-go consumption, catering to busy lifestyles. In addition, the use of flexible paper reflects Sta...
