Report description:

In 2024, open loop pre-paid cards in the UK continues to record a positive performance, with a 1% increase in the number of cards in circulation and a 3% increase in the value of transactions. The perception among local consumers that pre-paid cards are safer to use and protect them from fraud is one of the reasons for this financial card's popularity, as there is less risk for customers because the cards are already loaded with credit and not connected to a bank account. The ability to easily t...
