### **Report description:**

While HDPE bottles, PET bottles and PET jars are the main pack types in mayonnaise in Canada, glass jars were gaining share in unit volume terms in this category over the review period, with this expected to continue over the forecast period. Glass jars are easy to recycle and better for the environment, which matches the increasing focus on being eco-friendly and reducing waste. This is a big reason why consumers like using glass for packaging. In addition, glass jars do not release harmful che...
