### **Report description:**

Pickled products are the biggest source of demand for packaging unit volumes in sauces, dips and condiments in Mexico. Pickled products also continued to record healthy growth in their packaging unit volumes in 2023. Metal food cans are the dominant pack type for pickled products, with plastic pouches a distant second. During the review period, Clemente Jacques launched pickled products in plastic pouches with a zip/press closure, which allows the pack to be resealed. However, the leading brands...
