### **Report description:**

Staples in the Dominican Republic is expected to register moderate current value and volume growth in 2024, in what is an improving economic picture. Inflation is easing and interest rates are also lower. That being said, consumers are still expected to be price sensitive after several years of price rises, and value for money remains the key driver of value sales.

Euromonitor International's Staple Foods in Dominican Republic report offers in-depth knowledge of the market at a national level, providing local insight and understanding unavailable elsewhere. In addition to the latest retail sales data 2019-2023, it identifies the leading companies, brands and retail outlets, and assesses the key trends and demographic shifts behind consumer demand and sales growth. How key trends such as health and wellness, sustainability and recovery from the pandemic are shaping the market in <|Year|> directly informs our forecasts to 2028, clearly indicating how the market is expected to change.

Product coverage: Baked Goods, Breakfast Cereals, Processed Fruit and Vegetables, Processed Meat, Seafood and Alternatives to Meat, Rice, Pasta and Noodles.
