Report description:

Sweet spreads saw continued growth in total packaging volumes in Turkey in 2023, although growth was much slower than in the other years of the review period. Growth in packaging volumes was seen across all categories, although the smallest in terms of packaging volumes, nut and seed based spreads, saw the strongest increase. Packed with essential nutrients, including vitamins and healthy fats, this spread has become a popular choice for parents to ensure the physical wellbeing of their children...

Euromonitor International's Sweet Spreads Packaging in Turkey report offers insight into key trends and developments driving packaging across the category. The report also examines trends and prospect for various pack types and closures: metal packaging, rigid plastic, glass, liquid cartons, paper-based containers; flexible packaging.

Product coverage: Chocolate Spreads, Honey, Jams and Preserves, Nut and Seed Based Spreads, Yeast-based Spreads.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.
