Report description:

In 2024, the RTD coffee landscape in Poland experienced rapid growth, as the category remains relatively new to Polish consumers. The novelty of RTD coffee, coupled with its convenience, has resonated with busy consumers looking for quick and easy ways to enjoy their favourite caffeinated beverages. This strong growth trend is evident through rising volume sales and the expanding presence of RTD coffee products across various retail channels. As consumer demand for on-the-go options continues to...
