### **Report description:**

In 2024, warm weather in spring and summer was a major driving force behind RTD tea in Slovakia's return to off-trade volume growth and higher increment in on-trade volume sales, compared with 2023. Growing production costs, combined with sugar commodity prices on the rise, created additional upward pressure on RTD tea retail selling prices. While the rate of inflation and average retail current unit price slowed appreciably, they remained significant at the end of the review period. Thus, consu...
