Report description:

Total sweet spreads packaging volumes maintained growth in South Korea in 2023. Jams and preserves continued to account for the highest packaging volumes, and also saw the highest growth. Glass jars continued to be the dominant packaging for sweet spreads in South Korea in 2023, and also for jams and preserves, due to offering superior preservation, protecting the taste and aroma of the contents by providing a robust barrier against air and moisture. Glass jars are also perceived as premium and...
