- Single User Licence €995.00
- Multiple User License (1 Site) €1990.00
- Multiple User License (Global) €2985.00

### **Report description:**

Apparel accessories is being hit by the aftereffects of climate change in Morocco. These shifts have led to unprecedented winter heatwaves, directly hampering the sale of cold weather-related accessories, such as hats/caps, scarves, and gloves, demand for which remains considerably lower than 2019 levels. Traditionally favoured during the winter season, demand for such accessories has slowed down, exacerbated by the impact of high inflation and economic uncertainty.

Euromonitor International's Apparel Accessories in Morocco report offers a comprehensive guide to the size and shape of the market at a national level. It provides the latest retail sales data 2019-2023 and analysis by distribution format allowing you to identify the sectors driving growth.
