### **Report description:**

Canadian consumers are increasingly seeking air purifiers that are not only effective in cleaning the air but also consume less energy. This is being driven by both environmental concerns and the desire to reduce energy bills. Responding to this demand there are a growing range of air purifiers with energy efficiency claims. For instance, the Blueair Blue Pure 211+ is known for its energy-efficient performance with it being awarded the Energy Star certification. It offers high clean air delivery...
