Report description:

Powder concentrates in Ukraine have remained the dominant product category in concentrates in 2024. The category has a strong emphasis on traditional offerings like kysil (kisel), a popular drink typically favoured by older consumers. These products are often considered convenient, low-cost alternatives and are closely associated with nostalgia and comfort.

Euromonitor International's Concentrates in Ukraine report offers a comprehensive guide to the size and shape of the market at a national level.
