Report description:

With President Biden stepping away from the US presidential election race in the summer, it is apparent that one of the lasting legacies of his single term will be a long-standing battle with student loans on behalf of consumers. For much of President Biden's term, student loan interest payments were in forbearance, saving US consumers significant interest costs as they recovered from the pandemic and its economic consequences. These payments restarted in 2023, cutting the effective income of ma...
