### **Report description:**

Energy drinks in Bolivia continues its upward trajectory in 2024, with both value and volume growth. The rising demand for these products is largely driven by their integration into consumers' daily routines, including long workdays, study sessions, sports activities, and social entertainment. The appeal of energy drinks has expanded beyond athletes to a wider demographic seeking to boost energy levels throughout the day. Despite rising prices in the broader consumer basket, energy drinks in the...
