### **Report description:**

Energy drinks in Ukraine recorded strong off-trade volume growth in 2024, having a standout performance in soft drinks. Growth can be attributed to several factors, including intense competition within the category, which has driven brands to innovate and expand their offerings. Hell Energy, for instance, invested in a new factory in Hungary, increasing its production capacity to meet rising demand. Additionally, the brand launched new flavours in more affordable 0.5L packs, making its products...
