Report description:

The market for pre-paid cards in the Philippines is set to witness further growth in 2024, supported by a strong focus on financial inclusion. Many banks and financial institutions are increasingly offering pre-paid cards as an alternative to traditional debit and credit cards, especially for individuals who may not have access to or prefer not to use credit cards. These pre-paid products are more accessible as they do not require a credit check, making them ideal for those without a formal bank...
