Report description:

Soft drinks in Sweden performed strongly in 2024, with retail value recording positive growth and retail volume sales recording a strong improvement from 2023. The landscape experienced a challenging 2023, marked by significant price increases and high inflation. This combination of high unit prices and overall inflation had a negative impact on consumer purchasing power, leading to reduced sales. Additionally, the unseasonably cool summer weather in 2023 further suppressed sales, as the summer...
