Report description:

Bags and luggage in Sweden maintained a stable performance in 2024, with an improvement in retail volume sales compared to 2023, while retail value slowed slightly due to subsiding inflation. Travel demand in Sweden remained robust, with many Swedes continuing to take trips abroad. However, due to the rising cost of living, in 2023 and 2024 there was a noticeable shift towards shorter trips, both in terms of distance and duration. For example, travellers favoured closer European destinations over...
