### **Report description:**

Costa Ricans are becoming increasingly health-conscious in 2024, particularly among middle- and upper-income groups. As consumers transition away from diet sodas, they are seeking alternatives that align with their wellness goals. Bottled water has become a popular choice, not only as a healthier option during meals and snacks but also as a versatile substitute for traditional beverages. Additionally, the rising interest in flavoured and carbonated waters highlights the ongoing shift towards pro...
