Report description:

Bottled water in the US is set to see low off-trade volume growth in 2024, along with stronger current value growth. Nevertheless, some categories are expected to see better performances. For instance, sparkling flavoured bottled water has been growing dynamically, and is expected to continue to experience solid off-trade volume growth in 2024, as it has emerged as a compelling alternative to traditional soft drinks. In the US, this category has outstripped still flavoured bottled water in both...
