Report description:

Overall, there was muted volume growth for concentrates in Dominican Republic in 2024. However, it was a tale of two stories. While powder concentrates continued to account for most volume sales and registered muted volume growth, liquid concentrates registered double-digit percentage volume growth. However, this was from a low base. Liquid concentrates performed better, as they are perceived as healthier. This was in spite of significant price increases for liquid concentrates. However, an imp...
