- Multiple User License (1 Site) €1990.00
- Multiple User License (Global) €2985.00

Report description:

Consumer credit registered modest growth in gross lending and outstanding balances over the review period, as ongoing economic uncertainty led many consumers to retain a conservative approach towards borrowing. In 2024, there was a notable slowdown in gross lending as interest rates rose dramatically from 8.5% in June 2023 to 50% in March 2024. Some consumers were put off by the sharp rise in borrowing costs.

Euromonitor International's Consumer Credit in Turkey report establishes the size and structure of the market for ATMs cards, smart cards, credit cards, debit cards, charge cards, pre-paid cards and store cards. It looks at key players in the market (issuers and operators), number of cards in circulation, numbers transactions and value of transactions. It offers strategic analysis of sector forecasts and trends to watch.

Product coverage: Auto Lending, Card Lending, Durables Lending, Education Lending, Home Lending, Other Personal Lending.

Data coverage: market sizes (historic and forecasts), company shares, brand shares and distribution data.

Why buy this report?

- * Get a detailed picture of the Consumer Credit market;
