Report description:

In 2024, cough, cold and allergy (hay fever) remedies is set to see continued moderate retail current value growth in India. With sales of antihistamines/allergy remedies insignificant, cough and cold remedies are expected to account for the entirety of sales. Growth in 2024 has primarily been fuelled by consumers' increasing preference for herbal/traditional remedies. With rising awareness of the benefits of natural ingredients, a significant proportion of Indian consumers are prioritising herb...
