- Multiple User License (Global) €2985.00

Report description:

In 2024, debit cards in Israel recorded positive growth amid economic uncertainty. Local consumers have been shifting towards debit cards over the review period. While credit cards have gained traction in recent years, the high interest rates associated with their use, combined with ongoing economic uncertainty, have shifted consumer preference more decisively towards debit cards. As a safer and more predictable financial tool, debit cards are increasingly viewed as the practical choice for mana...
