Report description:

In 2024, debit card transactions in Vietnam are set to experience positive growth in volume and current value terms, supported by their ease of use, an expanding POS network and attractive customer benefits. Local banks such as Techcombank, VP Bank, and Vietcombank have incentivised the use of debit cards for payments through cashback offers, discounts, and other cost-saving perks, making them a popular choice for consumers. However, the rate of expansion of debit card transactions has slowed co...
